Application of Island Essentials LLC for Class C (Charter) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier  
Docket No: 2021-216-T

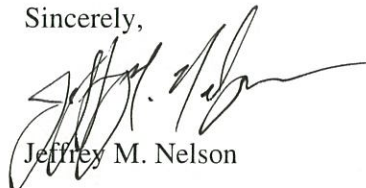

Dear Ms. Boyd:

The South Carolina Office of Regulatory Staff ("ORS") has reviewed the applications of Daufuskie Transit, LLC and Island Essentials LLC for Class C (Charter) Certificates of Public Convenience and Necessity in the above-referenced dockets. The applications appear to be both complete and correct; therefore, ORS has no objection to their expeditious approval by the Public Service Commission.

To aid in expediting the issuance of certificates, ORS inspectors are scheduled to perform vehicle inspections of the Applicants on June 29, 2021 on Daufuskie Island.

Please contact me and the Applicants if you have any questions regarding this letter.

Sincerely,

Jeffrey M. Nelson
